Subject: Consent Decree Insurance Submittals for Albion-Sheridan Township  
Landfill, Calhoun County, Michigan

Dear Mr. Peterson:

The attached certificate of insurance for the contractor (OHM Remediation Services) is being provided in accordance with paragraph 69 of the Consent Decree, which states, "If Settling Defendants demonstrate by evidence satisfactory to EPA that any contractor or Subcontractor maintains insurance equivalent to that described above, or insurance covering the same risks but in a lesser amount, then, with respect to that contractor or subcontractor, Settling Defendants need provide only that portion of the insurance described above which is not maintained by the contractor or subcontractor." This insurance has been in effect since April 1, 1999, which was prior to the start of construction. However, the additional insureds were added on May 20, 1999.

Please let me know if the insurance certificate is adequate and meets the Consent Decree.

Very truly yours,

A handwritten signature in dark ink, appearing to read "John Seymour".
